Experience

Web Marketing Specialist

Pearson Education | Chicago, IL

August 18, 2025 – November 17, 2025

- Translated Figma design system templates into scalable Adobe Experience Manager (AEM) components, reducing publishing turnaround time 35% and enabling faster campaign launches across Pearson schools.
- Conducted comprehensive content QA audits, identifying and resolving 150+ issues that improved site accuracy, accessibility, and performance.
- Managed structured content libraries (images, documents, marketing assets) while enforcing metadata standards and naming conventions across 30+ Pearson school websites.

Freelance Digital Designer (Contract)

Advanced Web Group | Chicago, IL

May 10, 2021 – September 27, 2024

- Conducted content audits and asset performance analysis to identify optimization opportunities and ensure alignment with digital content governance standards.
- Managed and organized digital content assets within CMS platforms, ensuring consistent metadata tagging, structured taxonomy, and improved content discoverability via Adobe Experience Manager.
- Created interactive CLM learning modules using AEM CMS and behavioral data to personalize user experiences for multiple clients.

Systems Analyst

Verizon Wireless | Chicago, IL

October 4, 2021 – September 29, 2023

- Led end-to-end XML DITA migration of 20,000+ knowledge base articles into AEM, achieving zero migration errors and full regulatory compliance.
- Partnered with IT teams on system integrations, streamlining content deployment, and enhancing operational efficiency.

Web Developer

Grainger Industrial | Chicago, IL

May 22, 2017 – November 5, 2019

- Developed and managed 20+ campaign microsites in Adobe Experience Manager (AEM), ensuring scalable component reuse, structured content organization, and optimized digital asset integration.
- Collaborated with UX researchers to redesign user flows, reducing bounce rates by 30% and improving lead conversion.
- Leveraged Google Analytics to guide iterative updates, driving a 43% lift in sitewide conversions.

- Collaborated with marketing teams to optimize digital engagement across web and email channels.
- Used data insights to improve targeting, messaging performance, and engagement across Grainger.com.

Graphic Designer (Contract)

Deloitte Chicago | Chicago, IL

October 2, 2015 – November 24, 2015

- Produced visual layout documentation and digital design assets supporting corporate workspace planning and internal communication initiatives.

Web Developer

Orderzone, LLC | Chicago, IL

April 10, 2011 – September 19, 2014

- Led redesign of core e-commerce platform, increasing new customer acquisition by 40%.
- Created and managed targeted email campaigns that drove a 30% increase in engagement and repeat visits.
- Assisted with email campaign performance analysis using Google Analytics and marketing dashboards.
- Implemented and monitored Google Analytics for web and email channels, generating insights that led to a 30% boost in conversions.

Education

Bachelor of Fine Arts - Interactive Media Design

Illinois Institute of Art – Chicago, IL
